*Beyond yellow ribbons... Beyond cookies and care packages...
Beyond "Thank You for Your Service"...*

Learn how citizens, we who are protected and guarded, can help heal our veterans with our hearts. Led by Edward Tick.

1:30 – 5:00 p.m. Epiphany Parish Hall

A Gathering, exclusively for veterans of all wars, their families, and those who love them.

*You are not sick, flawed, broken or needing fixing,
but you may be experiencing the invisible wounds
of war that are currently known as PTSD.*

You're invited to an afternoon of speaking and listening with Edward Tick. Share your experience with those who understand you. Learn how other veterans and their families are navigating the return from war and begin healing the invisible wounds of war.

There is no charge for either event, but please register at www.veteransheartgeorgia.org so that we can provide a chair for you!
